## Software Update

There is a new version of your Tesla Model S software. Schedule installation, install now or close window to postpone.

9	20	
10	25	am
<b>11</b>	<b>30</b>	<b>pm</b>
12	35	
1	40	

5 hr 49 min from now

SET FOR THIS TIME

INSTALL NOW

This update will take approximately 45 min

During the update process you will not be able to drive the vehicle or use the touchscreen, and your car alarm may be disarmed for a short duration. The car must be in PARK.
